A COMMUNICATION TO PITTSFIELD

J. F. DRAKE
PARK PLAZA APARTMENTS
128 North Craig Street
Pittsburgh 13, Pa.

January 7, 1965

Board of Selectmen
Pittsfield
New Hampshire

Dear Sirs:

As you know I have for a number of years given the sum of Five hundred dollars, (\$500.00), each year, for Band Concerts. My purpose in this was two-fold; — first to encourage the love of good music among the citizens of the Town and more particularly among the younger generation, who I hoped would learn to play some kind of a musical instrument; — and second to give the general public concerts that would be found pleasing and enjoyable.

For many years — thanks to the public-spirited effort of Mr. George E. Freese and others — there was a good Band and it was known as the “Pittsfield Band” — even though its membership may have included a few from places other than Pittsfield. In the summer of 1963, the concerts were not given by a Pittsfield Band but were given by the Epsom Band, which was a disappointment to me. However, I am happy to say that in 1964, due to the fine cooperation of Mr. Freese and others, a Pittsfield Band gave several concerts which, I understand, were very fine and successful. That, of course, is a source of gratification to me.

I am happy now to say that, if there will be a Pittsfield Band to give concerts in 1965, I shall be glad to contribute the sum of Five hundred dollars, (\$500.00), for such concerts. I would thank you to present this letter to the citizens of Pittsfield at the coming Town Meeting to be held next March.

Sincerely yours,

J. FRANK DRAKE.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at the TOWN HALL in said PITTSFIELD on Tuesday the NINTH day of March next, at TEN of the clock in the forenoon, and at GREENLEAF AUDITORIUM at eight of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Polls shall not close before 6:30 p. m.)

2. To vote on the question — “Do you favor raising money by property taxation to pay, annually, a sum to Concord Hospital to help defray the operating deficit of the Hospital, said sum to be apportioned in accordance with usage of the Hospital facilities by residents of Pittsfield?” (By ballot)

3. To see if the Town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector’s Deeds and to otherwise administer said property as they deem to be in the best interests of the Town.

4. To see if the Town will vote to authorize the Selectmen to negotiate an interest free loan from the Federal Government, not to exceed the amount of Eleven thousand two hundred dollars (\$11,200), to pay the cost of an engineering study and report on a sewage disposal system for the Town; and to employ competent engineers to make such a study and report. Recommended by the Budget Committee.

5. To see if the Town will vote to authorize the Selectmen to widen, rebuild and pave the section of Chestnut Street between Main Street and Bridge Street, and Green Street from Chestnut Street to Elm Street; leaving one sidewalk only on each street; at a cost of approximately ten thousand dollars (\$10,000). Recommended by the Budget Committee.

6. To see if the Town will vote to authorize the Selectmen to purchase, at a cost not to exceed twenty seven hundred dollars (\$2,700) plus the trade-in value of the old sidewalk plow and tractor, suitable equipment for the purpose of plowing sidewalks. Recommended by the Budget Committee.

7. To see if the Town will vote to discontinue plowing the sidewalk in any location in Town and designate specifically any such locations.

8. To see if the Town will vote to revoke the authority given the Selectmen to allow two percent (2%) discount on property taxes paid in full within thirty days of the date of billing.

9. To see if the Town will vote to raise and appropriate the sum of nine hundred dollars (900) to be paid to the Concord Hospital as an apportionment of the anticipated operating deficit of the Hospital for 1965. Not recommended by the Budget Committee.

10. To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing, or pass any motion related thereto.

11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1965 taxes the same to be repaid from that year's levy.

12. To see if the Town will vote to accept the following Trust Funds:

DONOR	PURPOSE	AMOUNT
Chas. G. Robinson Estate	Increase fund for care of Susan O. Durgin lot	\$ 300.00
Arthur L. English	c/o English lot	200.00
Nellie M. Stone Estate	c/o Wilmer E. Sanborn lot	500.00
Gladys L. Hartwell Estate	Increase fund for care of Frank and Wm. B. Hartwell lot	100.00
Gladys L. Hartwell Estate	Increase fund for care of Oliver Gray and Joseph Leighton lot	100.00
Robert M. Clough	c/o Ada Clough lot	150.00
John H. Paine Estate	c/o Wyatt Knowles lot	250.00
Raymond Carson	c/o Raymond and Lucy Carson lot	100.00
John H. Jenness Estate	c/o George D. Brown lot	200.00
TOTAL		\$1,900.00

13. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this seventeenth day of February, in the year of our Lord nineteen hundred and sixty-five.

STEVEN A. DAVIS,
LEONARD M. GREER,
RICHARD C. FOSS,
Selectmen of Pittsfield.

A true copy of Warrant — Attest:

STEVEN A. DAVIS,
LEONARD M. GREER,
RICHARD C. FOSS,
Selectmen of Pittsfield.

J. HAROLD WEEKS,
Treasurer.

SELECTMEN'S REPORT

The year 1964 has vanished into history — and with it a greater part of a familiar landmark. The older and vacant portion of the building known in recent years as the Adams Brothers Shoe Factory has been demolished to make way for a new building to be occupied by the local division of the Public Service Company of New Hampshire. The old building was built in 1870 by the cooperative effort of a group of townspeople and a shoe manufacturing company. For most of its useful life the building was owned by the Town although occupied by various tenants, mostly shoe manufacturers.

Another, and substantial loss has been suffered by the Town in the closing of the Burnham and Morrill Corn Canning Factory. The plant has, for many months, been left virtually intact while efforts were made to find a purchaser who would continue to operate it as a cannery. However, increasing competition from better suited areas, which was given as a primary reason for the closing, is a major consideration for any prospective operator of the business. There is still hope that some other type of business may be found to occupy the buildings when all machinery and equipment is moved out.

Utilizing TRA funds, the remaining unpaved section of New Orchard Road was completed to the Town Line. The remainder of available funds was used to improve a section of Tilton Hill Road beyond the present blacktop.

Much thought and study has been given to the problem of sewage disposal when it can no longer be dumped into the Suncook River. There is increased activity to eliminate pollution of the Merrimack River and there is little doubt that the remaining part of the Suncook will be due for pollution control before many more years. In order that the Town may be prepared to some extent this board has recommended for consideration at Town Meeting that engineers be employed to make a study of the problem, to include existing facilities, and make a report of the most practical solution. With such a report to work from, the Town can consider steps to prepare gradually and probably save many thousands of dollars from the cost of a crash program which could be necessary to meet cleanup deadline. After consulting with several engineers it seemed unlikely that the land owned by the

Town on Joy Street would be suitable for a location needed for sewage disposal. This land has been sold and returned to a taxable status.

Construction of the Route 28 by-pass, by the State, was started in late summer and is well on the way to completion. Relocation of several houses which were moved from the right of way decreased the loss of taxable property substantially. Taxes collected on equipment used on the project helped materially in holding the tax rate static this year. It now looks possible that reconstruction of Route 28 from the end of this by-pass to link up with the new section at Center Barnstead may be undertaken in the near future.

Respectfully submitted,

STEVEN A. DAVIS,
LEONARD M. GREER,
RICHARD C. FOSS,
Selectmen.

REPORT OF POLICE DEPARTMENT

January 1, 1965

To: Selectmen, Town of Pittsfield:

The Pittsfield Police Department, offering 24-hour protection to our citizens, submits the following report of activities during 1964.

Records for the year reveal 1403 calls to the police telephone. No count was made of the numerous complaints made in person, either downtown or at home. 53 automobile accidents were investigated during the period. 164 cases were prosecuted by the Police Department on 28 diversified charges, resulting in fines totalling \$2,645.00. The breakdown of these actions appears below:

Stop Sign Violations	45
Yellow Line Violations	13
Speeding	33
Drunk	6
Illegal Possession	2
Driving Under Influence	1
DWI	4
Disturbing the Peace	1
Disorderly Person	6
Assault	2
Assaulting Officer	3
Resisting Officer	5
Obstructing Officer	2
Derisive Words	3
Larceny	3
Leaving the Scene	2
Reckless Driving	5
Failure to Obey	1
Driving Without License	7
Driving After Suspension	6
Driving Unregistered Vehicle	6
Allowing Unregistered Vehicle To Be Operated	1
Allowing Unlicensed Person to Operate	1
Unlawful Use of Vehicle	1
Obstructing Windows with Hay	1
Unncessary Noise	1
Non-support	1
Juvenile	2
 Total	 164

Additionally, there were 38 parking violations, and over 300 verbal warnings were given for minor traffic infractions.

In October, radios were installed in the police mobile unit and in the home of Chief Siel where police telephone calls are received twenty-four hours a day. These units were purchased at the personal expense of the Chief and have given Pittsfield more complete police protection than many New Hampshire towns of greater population.

Chief Siel and Special Officers Chagnon and Riel completed the twelve-week State Police Training Course held in Pittsfield.

Your Police Department may always be reached at 435-6631.

VAUGHN V. SIEL,
Chief of Police.

TOWN AUDITOR'S REPORT

February 2, 1965.

We hereby certify we have examined the accounts and books of the Tax Collector, Town Treasurer, Town Clerk, Trustees of Trust Funds, Selectmen, Library, Trustees, Overseer of the Poor, and find them correct and properly vouched and cast.

WILLIAM G. ROBINSON,
PHILIP W. SHERBURNE,
W. B. EMERSON,
Auditors.

REPORT OF THE TRUSTEES OF CARPENTER MEMORIAL LIBRARY

1 9 6 4

Another successful year has concluded at Carpenter Memorial Library, showing that borrowing figures have held steady while usage as a reference center has increased. Approximately 1760 volumes were borrowed from the Bookmobile on its regular visits and the State Library filled over 250 special request loans.

Exhibits of school art work have continued and thanks are due to cooperating teachers. Both Second Grades visited the Library in September, when they became eligible for membership and enjoyed Story Hours.

National Library Week was celebrated in April with a Book Display in Green's Drug Store window as well as by posters placed in the schools. The Librarian was invited to address a convention of 400 Future Homemakers of America in Manchester on "The Pleasures of Reading".

Early in May the Library acquired a glass display case and for its first exhibit featured some of the beautiful work done by the Crewel Class which meets at Dolores Gilman's. In addition to many book displays, there was also a show of old-fashioned Christmas cards in December.

Mrs. Van Horn attended a regional meeting for public and school Librarians and school superintendents in Hampton, N. H. During the summer vacation a series of Story Hours was held for the younger children with an average attendance of 14.

Both Pittsfield kindergartens visited the Library for Story Hours during Children's Book Week and special Book Display was on view at the P.T.A. meeting in November.

The death of Arthur Kelley, who had served as custodian for many years was a great loss. His devotion to, and interest in the Library were of the highest order and he will be sorely missed by Trustees and Librarian alike. Richard Anthony has been appointed to fulfill the custodial duties.

One again thanks are due to those citizens who donated books and magazine subscriptions as well as to Mrs. Dorothy Kelley for the many hours she has worked assisting and substituting in the Library.

The total membership for 1964 stands at 560 adults and 1082 juvenile.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued co-

operation we are confident that we can improve our fire record in 1965.

Number of Fires and Burned Area in 1964

GERALD H. HIGHT,
District Chief.

GEORGE A. REED,
Warden.

REPORT OF THE RECREATION COMMISSION

The Doctor F. B. Argue Memorial Pool was opened June 23rd through Labor Day for a total of ten weeks.

Three senior life guards, Carolyn Franzeim, Steven Franzeim and Robert Watkins were in constant attendance. Carolyn and Steven are also qualified instructors under the American Red Cross. Nadene Smith was employed as a ticket checker.

The seasons total attendance was 3,469. This does not include the children taking swimming lessons each morning. Free swimming lessons were offered to all Pittsfield children. Classes were held in beginners, advance beginners, intermediate, swimmer, junior and senior life saving.

The P. T. A. in Barnstead again this year requested the use of the pool for their swimming classes. Permission was granted as there is ample room for their children. They have their own life guards so it does not interfere with our schedule.

The Y. M. C. A. Day Camp in Concord was also given permission to bring a bus full of children over on occasions throughout the season. They paid admission charges and bring their own personnel with them.

The water was tested each week by the N. H. Health Department and each time was found good for swimming.

In the past year the pool has become a popular spot during the winter months as well as the summer. The pool is kept plowed at no cost to the town. The high school used the pool for hockey games throughout the winter and outside of school hours there is usually a group of children and adults enjoying skating.

Each year the swimming pool committee sponsor the Citizen's Dance to raise money to improve the swimming area. Thirty flutter boards and a telephone, for emergencies only, were added last year. Continued improvements will again be made this year.

Respectfully submitted,

ANN CARPENTER,
MARGARET JENISCH,
EMMA THOMPSON,
GILBERT PAIGE,
F. SYDNEY NISBET.

FIRE DEPARTMENT REPORT

This year there were 49 box alarms including, 2 still, 2 town water shut-offs, 1 no school and 2 false alarms. The air compressor which supplies air for our fire alarm signal, gave out after being in use over 20 years. Parts were not available and would take at least a month to be made up, as the compressor was obsolete. A new compressor was purchased for \$750.00 and installed within 8 hours of the old compressor's failure and the fire alarm signal was back in service. This was an unexpected outlay of over \$900.00 for removal and installation of the new compressor.

Fire hydrants cleaned of snow three times during the winter, by the firewards.

The new 750 gallon — 2 stage fire engine No. 2, carrying 800 gallons of water arrived August 27th. After tests made by the underwriters, was immediately put in service.

A Johnson 2-way radio was presented to the department for our new engine by Catamount Woven Label Co.; also a "Black Widow" fog nozzle for our deluge gun by Huckin's Chevrolet, Inc. During the year the fire alarm cable was broken 4 times, and a fire alarm box knocked from pole by automobile accident. Board of Firewards met Friday evenings for radio check at 7:30 p. m. and to check pumpers, equipment, etc.

Weekly fire alarm tests sounded at 12 noon every Saturday. The Fire Station checked at least once a day during the year. In reporting a fire call 435-6522.

Respectfully submitted,

CLARENCE E. ROBIE,
Chief of Fire Department.

WILLIAM MURRAY,
Supt. of Fire Alarm Systems.

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Pittsfield:

I respectfully submit my fourth annual report as your Superintendent of Schools.

School opened in September 1964 with a staff of thirty-five teachers. There were 7 changes in personnel compared to 17 the previous year. I believe it my responsibility to advise the Citizens that Pittsfield should anticipate another large exodus of staff this year, as it appears we lose our greatest number of staff on alternate years. The reason is the same as has been stated every year in the Superintendent's reports. School systems with salary schedules competitive with our own State School Systems and our neighboring state of Massachusetts are holding teachers. This situation is the most serious one Pittsfield has to face so far as their schools and their youth are concerned. Loss of experienced staff will continue unless measures are taken to correct it now, and in turn this loss will affect our educational program and the future of your children — our greatest natural resource.

I cannot labor this subject too much, but do request interested citizens make their opinions known on this subject to school officials so that some corrective measures can be taken in the immediate future.

Buildings

Our school plants are in good physical condition, the new high school addition containing modern laboratories, library, and special classrooms is a real credit to the community. Our high school needs appear to be met most adequately for the future, the only problem area in regard to building needs will be at the elementary school level, which in future years will require consideration to construction of elementary classrooms which would replace the existing Grammar and Memorial buildings. Before the district becomes involved in planning elementary schools, it would be well to consider a study of our area with the idea of investigating either a cooperative or area plan with neighboring districts. I offer this as "food for thought" so that Pittsfield Citizens will, when called upon again, face their school building and planning problems wisely.

Drake Field

The maintenance of Drake Field so far as major projects are concerned has been completed. There are still several improvements that can be made including grading and minor repairs.

The field has been improved considerably during the past few years, particularly through the contributions of Colonel J. Frank Drake, who has maintained a special interest in the field and the various projects undertaken to maintain it in its proper condition.

I am certain the Citizens will continue to provide adequate funds to maintain this excellent facility which is a credit to the town and should be the envy of others less fortunate.

In closing, I wish to pay special thanks to our Principals, teaching staff, custodians, and other school personnel who are providing the people of Pittsfield, through their untiring efforts, a fine school system.

My thanks to the School Board and the Citizens of Pittsfield for their continued cooperation and support of our schools.

Respectfully submitted,

HOWARD F. KELLEY,
Superintendent of Schools.

C. REPORT OF THE TEACHER CONSULTANT

To the School Board and Citizens of Pittsfield:

I respectfully submit my first annual report.

Curriculum

In the area of curriculum change, the teacher is considered the key individual. All improvements which occur among teachers in perceptions, values, competencies and knowledge will create improved conditions for learning and, therefore, ultimately will improve learning.

The curriculum is sometimes defined to include all the experiences which children and teachers have together under the auspices of the school. The importance of subject matter, with such a concept, is not minimized; neither are the ways in which youngsters learn to react and to act upon the various facts which they acquire and the feelings which they display and modify.

Our major concern for the coming year in the area of curriculum is the mathematics program being used in grades one to six. The teachers in Memorial and Grammar Schools have been reviewing various mathematics series to determine the series that will be adopted for the next school year. In the spring a series of meetings will be held involving teachers grades one through six in the area of mathematics. This will provide a basis of continuity for such a program throughout the elementary school.

Some of the basic guidelines that will be followed in making the new adoption are as follows:

1. The program be suitable for use by *all* students.
2. The program have a continuous and systematic flow of mathematical concept formation from grade to grade.
3. The program originate at the lowest level of instruction in grade one and be continued through to grade six and connected with the Junior-Senior High School program.
4. The teaching approach make the greatest possible use of the discovery method of teaching and provides continuous challenge and stimulation to the student.
5. The program be mathematically correct and pedagogically sound.

During the past three decades there has been a gradual movement in the elementary school away from instruc-

tion based upon the acquisition of facts and on the rote learning of techniques toward instruction which goes beyond the mechanical processes. Increasingly greater emphasis has been placed on searching for patterns and relations and on learning by discovery. Until very recently, however, this change in approach had not reached the mathematics curriculum. Now there is growing enthusiasm for new ideas in the teaching of mathematics, as well as for the inclusion of new topics in the mathematics curriculum. Attention is being focused on the logical structure of mathematics and on ways in which children can discover mathematical ideas for themselves. Stress is being placed on understanding and creativity as well as on application. The change in emphasis has been away from that of studying mathematics as a way of doing something to the study of mathematics as a way of thinking.

Music

The music program has been coordinated in the Pittsfield School District in grades one through twelve. This has been done under the direction of Mr. Kruiswyk working with the Principals and their staff members.

It was felt that this was another area that was in need of revision. The principals and their staff held meetings and reviewed their programs with Mr. Kruiswyk and adopted a schedule and music program for grades 1-12. The cooperation and success was evident by the success of the music program that was held this year for the public at Christmas time.

The faculty of the Pittsfield School District are constantly reviewing their curriculums. This enables them to best meet the needs and challenges of the children of Pittsfield.

Several members of the faculty have been taking extension courses to keep abreast of new information that is developing in their various areas. The interest shown by parents and Citizens of Pittsfield at Open House, the Christmas Program and such activities show a healthy school-community relationship exists and is worthy of commendation. With such a joint effort the educational climate will prosper and continue to improve.

My thanks to the School Board, Principals, Staff, and Citizens of Pittsfield for their cooperation in my first year as Teacher Consultant.

Respectfully submitted,

RAYMOND C. ROY, JR.,
Teacher Consultant.

V. AUXILIARY REPORTS

A. REPORT OF THE HIGH SCHOOL PRINCIPAL

It is with pleasure I submit my second annual report as Principal of Pittsfield High School to the School Board, Superintendent of Schools and the citizens of the Town of Pittsfield.

September 1964 saw Pittsfield High School open with seven new staff members. With two of these teachers transferring from other schools in the district and the addition of one new staff member, there were only four faculty replacements. The greater continuity in staff enabled us to begin the year promptly and efficiently.

School opened with 476 pupils enrolled in the building. This figure represents the addition of 53 fifth grade students, transferred from the Grammar School, and 15 special education students, formerly at the American Legion Hall. Our freshman class numbered 81 which is an increase of eight over last year.

The construction was sufficiently completed to enable the use of all of the new facilities. This made possible the resumption of a physical education program for all students in grades nine through twelve as well as a limited program for the junior high school. In addition, we have been able to carry on a more extensive program of music. Under the direction of Mr. Kruiswyk, the high school band was invited to participate in the "Band Day" program at the University of New Hampshire and with the assistance of teachers from all the schools, the music department presented a Christmas choral concert before a crowd of almost one thousand.

The curriculum work begun last year has been continued. Of particular note was the introduction of World Geography at the grade seven level. This change has filled a gap in the six year social studies curriculum, grade seven through twelve, and has eliminated the duplication between grades seven and ten. The teachers in the junior high school have made a particular effort to stress and to teach study skills. Their attempts have been aimed at providing students with skills applicable in all areas of study and helpful throughout their school experience.

With the addition of a second teacher in Business Education, we have been able to eliminate the teaching of

Stenography on an alternating year basis and have, for the first time, been able to offer two non-college mathematics courses. We have also been fortunate to have a part time Art teacher available. This has permitted the expansion of our Fine Arts program to include art instruction three times weekly for students in grades nine through twelve. The addition of more non-college mathematics and further Fine Arts offerings continues to assure that Pittsfield High School will hold its rating as a comprehensive high school.

Pittsfield High School continues to be a member in good standing of the New England Association of Colleges and Secondary Schools. It is now five years since the school was evaluated. As we prepare to submit our five year report on our progress, it would seem that we may point with pride to continued educational growth and the mutual desire of the community and school staff to provide our children with quality education.

Respectfully submitted,

WINTHROP S. ALDEN,
Principal.

B. REPORT OF THE GRAMMAR SCHOOL PRINCIPAL

There are five classrooms at the Grammar School this year, consisting of one second, two third, and two fourth grades with the same teachers as last year. Some of the planned changes have been accomplished by removing the wall between two small rooms on the second floor to make one large, well lighted classroom. The two downstairs rooms for the third grades continue to be filled to capacity with about 30 children in each room.

Mr. Albertus Kruiswyk, Music Supervisor, has been giving instrumental lessons to nearly 20 fourth grade children as well as planning and guiding the teachers toward a more complete classroom music program.

The elementary teacher consultant, Mr. Raymond Roy, has been working with the teachers to select one mathematics program to be used in all eight grades.

Several of the teachers have completed N. H. University courses in Music and Children's Literature which have aroused interest and given help to teachers and children.

The Grammar School teachers wish to thank the Superintendent, School Board, Parents and friends for their continued interest in making our school a better place of learning for the children of this community.

Respectfully submitted,

PHYLLIS MURDOUGH,
Principal.

C. REPORT OF THE MEMORIAL SCHOOL PRINCIPAL

The educational climate of our school remains about as last year. We are now really seeing some good results from our modern approach to reading. We teach the vowels the first few weeks of school and establish our readiness program in close correlation with the phonetic procedure. One outstanding feature of this particular approach is the extensive ear training. The development of critical thinking is stressed and creativity is nurtured. The children do not read as fluently during the first three months, but we are able to build up much more word power by the end of the first grade which should enable them to enjoy a broader range of comprehension in the ensuing years. We are using Modern Math and feel it is giving our six- and seven-year-olds a better foundation for middle and upper grade comprehension of the mathematical processes.

Once again our children are being transported to the high school cafeteria each noon for hot lunch. About one-third of the total enrollment take advantage of the hot meal.

We enjoyed being part of a Christmas musical concert in December, which involved grades one through twelve and was presented in the high school auditorium under the leadership of our music supervisor.

We have been most fortunate in having the same faculty with us for the past few years, and three of us are presently completing a course at the University of New Hampshire in Children's Literature for the elementary grades.

Respectfully submitted,

HARRIET AMES,
Principal.

D. REPORT OF SCHOOL NURSE

September 1963 to June 1964

Number of Children Given Vision Test	692
Retest — 70	
Number of Children Given Hearing Test	692
Retest — 35	
Number of Children Given Inspections	996
Classroom 392 Individual 604	
Number of Parents Consulted	172
Number of Half-Days Given School Work	178
Number of Children Excluded from School	16
Number of Children Accompanied to Optometrist	15
Number of Home Visits	78
Number of Children Attending Dental Clinic	22
Number of Visits to Speech Therapist	33
Number of Visits to Dr. Ferraro (Urologist)	3
First Aid	407
Heights	692
Weights	692

Defective Teeth	<i>No. Affected</i>	<i>Corrected</i>
Temporary 92		
Permanent 158	250	442
Defective Vision	47	94
Defective Hearing	3	3 Treated
Posture	6	4
Speech	3	3
		Improved to Therapist
Tonsils	47	3

		Being Treated

Cases of Communicable Diseases

Chicken Pox	19	Whooping Cough	15
Measles	40	Scabies	2
Impetigo	6	Ringworm	15
Mumps	158	Hepatitis	14

The general health of the children seems very good, and the school health program continues about the same. Our greatest need is dental work, although we notice a great improvement in the high school pupils. We are having a dental hygienist, Mrs. Shirley Recks, in the schools this

year, and we hope after getting the teeth cleaned and treatment given, that more children may have dental work done. We do appreciate the help given us by the State in this dental work.

We also appreciate the help given us by the local Salvation Army Fund, Rotary Club, local Lions Club and the State for children needing glasses.

We wish to thank the parents, teachers, school officials, and our local organizations for their kind cooperation with the school health program.

Respectfully submitted,

DORIS H. DROLET, R. N.,
School Nurse.

E. DRAKE MEMORIAL FIELD PLAYGROUND REPORT

The 1964 summer program at Drake Field operated for a period of eight weeks under the direction of Mr. Arthur Morse, a native of Pittsfield, now an elementary school teacher in Aurora, Illinois, with Miss Dorothy Tasker, a high school student, as the assistant program director.

The park was open daily from 9:00 a. m. until 4:00 p. m. with a program designed for both boys and girls from pre-school through high school. Individual and group activities were organized ranging from a checkers tournament to softball. At least one hour a day was devoted to baseball in order to continue and maintain the strong baseball program which has existed in Pittsfield for some years.

The Drake Field program ended with a Junior Olympics and a Field Day at which prizes were awarded and Timothy Farrell was chosen as "Drake Field Athlete of the Year".

SCHOOL WARRANT (Tentative)
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Pittsfield, New Hampshire qualified to vote in District Affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said District on the fourth day of March, 1965, at 8:00 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
9. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

10. To transact any other business which may legally come before said meeting.

Given under our hands at said Pittsfield this 13th day of February, 1965.

E. WINSON BURBANK,
HENRY F. STAPLETON,
MARY D. OSGOOD,
School Board.

A true copy of Warrant — Attest:

E. WINSON BURBANK,
HENRY F. STAPLETON,
MARY D. OSGOOD,
School Board.
